

Legend of White Snake
 Box Xu Xian goes to buy tangyuan from Lu Dongbin (one of the 8 immortals). Instead Lu gives him immortality pills and Xian does not eat for 3 days. When Xian asks Lu about it he holds him upside down over a bridge to help him vomit up the pills and gains 500 years of magical powers. Terrapin (tortoise) was able to eat the pills and becomes jealous of White Snake. White Snake transforms into a lady Bai Suzhen to buy Green Snake Xiaqing (White Snakes younger sister) from a beggar who wants to sell his galls. 18 years later at the Qingming festival the 2 snakes transform into Bai & Xiaqing and Bai falls in love with Xian after he offers her an umbrella. They get married and open a medical shop in Zhenjiang. Terrapin takes the form of a Buddhist Monk Fahai and offers Bai wine at the Duanwu Festival, she turns back and Xian dies from seeing her true form. Bia and Xiaqing travel to Mt. Emei to steal a magical herb and restores Xian's life, falling back in love with Bia. Fahai imprisons Xian in the Jinshan Temple. Bia uses powers to flood the temple and kills many innocent people. She is pregnant and reunites with Xian after he escapes. She gives birth to Xu Mengjiao. Fahai imprisons Bai in Lefeng Pagoda and Xiaqing vows vengeance. 20 years later Xu Mengjiao becomes a top soldier and returns home. Xiaqing goes to Jinshan Temple, defeats Fahai, and frees Bai who is reunited with her family. Fahai flees and hides in a crab.

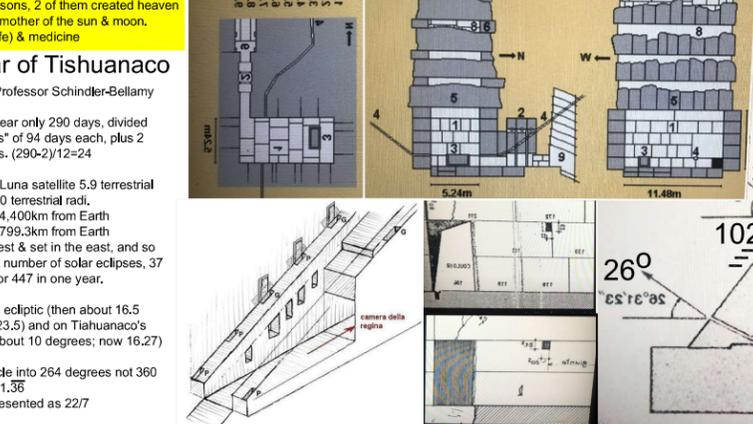

The Legend of Gympie
 Australia - There came a time when the Sun God Spirit had enough of their fighting. He consulted with the Moon God-Goddess. They decided to send them down to earth land and give them their own territories of ten peoples each. Kippan'dingi (the carpet snake serpent became Ka'bi Kgal'ya & circumsised &) was given the wild and untamed dense jungle-vine scrub country covering both sides of the great river in the jungle places of the inland. Yulu'dara (the porpoise became Dha'kgulu &) was given the land of plenty bordering the great salt waters.

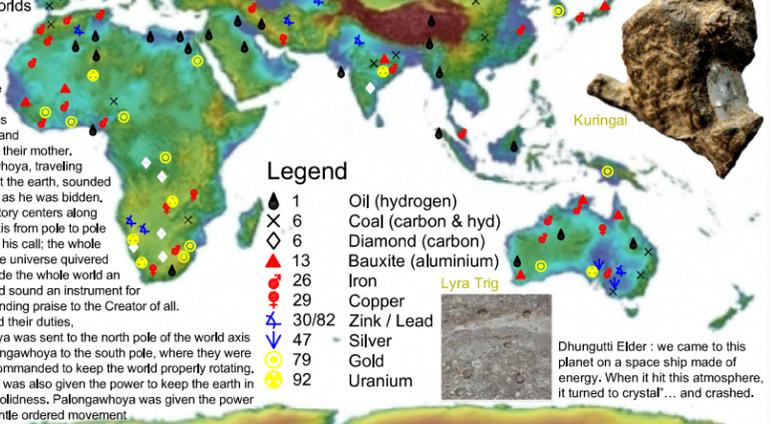

Bacabs Jaguars
 Month of Pax, Jaguar Paw is above the ears, removed lower jaw and vomits blood. Presides over the child transformation into a jaguar and performs sacrifice dance around captured Chaac (rain)

Calendar of Tishuanaco
 By P. Allen & Professor Schindler-Bellamy
 Tishuanacan year only 290 days, divided into 12 "twelfths" of 94 days each, plus 2 intercalary days. (290-2)/12=24
 There was the Luna satellite 5.9 terrestrial radii Moon is 60 terrestrial radii. Moon 384,400km from Earth Luna 37,799.3km from Earth
 It rose in the west & set in the east, and so caused a great number of solar eclipses, 37 in one twelfth, or 447 in one year.
 Obliquity of the ecliptic (then about 16.5 degrees; now 23.5) and on Tishuanaco's latitude (then about 10 degrees; now 16.27)
 Divided the circle into 264 degrees; now 360 a difference of 1.35
 Ratio of pi represented as 22/7

Creation and The Four Worlds
 Hopi - Spider Woman and The Twins Poqanghoya, traveling throughout the earth, solidified the higher reaches into great mountains. The lower reaches he made firm but still pliable enough to be used by those beings to be placed upon it and who would call it their mother. Palongahoya, traveling throughout the earth, sounded out his call as he was bidden. All the vibratory centers along the earth's axis from pole to pole responded to his call; the whole earth trembled; the universe quivered in tune. Thus he made the whole world an instrument of sound, and sound an instrument for carrying messages, resounding praise to the Creator of all. When they had accomplished their duties. Poqanghoya was sent to the north pole of the world axis and Palongahoya to the south pole, where they were jointly commanded to keep the world properly rotating. Poqanghoya was also given the power to keep the earth in a stable form of solidness. Palongahoya was given the power to keep the air in gentle ordered movement.

FORMER CONSTELLATION ROTATION

Blind Man & Emu
 The blind man and his wife lived in a camp in the bush. Everyday he sent his wife out to look for emu eggs, she could not please him. One day she came across large tracks and followed them to a nest with an emu sitting on them. She threw stones at the bird and the bird stood up and killed her. The blind man became hungry and moved around the camp and found berries that cured him of his blindness. He picks up a spear to look for his wife and finds her body near the nest. He speared the emu and sent the spirit to the milky way.

Blind Man & Emu

After the spaceship crashed, the Earth people found a gun in it and shot at the underground brights.
